The Parents of Parade (POP) members are made up of current and past fathers, mothers even grandparents of Parade College students. POP get together with the aim of enhancing parent son relationships through organizing a number of events and supporting the college through out the year.

We organise and fund raise for events that enhance Parent and son relationships such as running games nights, subsidizing driver education for year 10 students and cooking at the fathers day breakfast.

Other social activities, include: Trivia nights, Casino nights, Sausage sizzles, Market nights, Year 7 First Day Morning Tea, Art Show, Catering for college functions and the occasional night out for the members.

New members are always welcome at our monthly meetings. Our goal is to develop strong partnerships with the students, parents, teachers and the community so that we can work together to improve student facilities and support the various activities that are held at the College throughout the year.

Please **download the POP app** as this has all our events and contact information. Our meeting schedule and event highlights are published in the school news letter.

We are always looking for new members and we encourage you to contact us or attend any of our meetings to find out more about what we do.
