CPC30211 Certificate III in Carpentry

About the Course

This course will provide you with the opportunity to gain significant skills and knowledge in all facets of carpentry. The knowledge and skills you will learn are also transferable to many other job roles and activities within the construction industry. As a bonus the course provides useful skills for a variety of home based/D.I.Y projects.

School Based Apprenticeship and Traineeship (SBAT) and RTO Selection criteria

School based students undertaking the CPC30211 Certificate III in Carpentry will do so via a School Based Apprenticeship and Traineeship (SBAT).

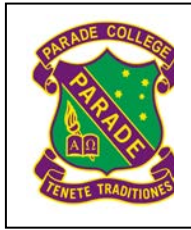

Course applicants must meet the following selection criteria:

- be aged 15 years or older;
- be enrolled in a VCE or VCAL program, and
- complete a language, literacy and numeracy assessment to a satisfactory level.

Course Structure and Duration

The course is completed over 3 years / 6 semesters.

The CPC30211 Certificate III in Carpentry course requires students to attend scheduled classes at Parade College (1 day per week) and undertake an on the job work placement (1 day per week).

Units of Competency

This course requires satisfactory completion of the following units of competency:

Unit Code	Unit Title
CPCCOHS2001A	Apply OHS requirements, policies and procedures in the construction industry (C)
CPCCCA2002B	Use carpentry tools and equipment (C)
CPCCCA2011A	Handle carpentry materials (C)
CPCCCA3001A	Carry out general demolition of minor building structures (C)
CPCCCA3002A	Carry out setting out (C)
CPCCCA3003A	Install flooring systems (C)
CPCCCA3004A	Construct wall frames (C)
CPCCCA3005B	Construct ceiling frames (C)
CPCCCA3006B	Erect roof trusses (C)
CPCCCA3007C	Construct pitched roofs (C)
CPCCCA3008B	Construct eaves (C)
CPCCCA3023A	Carry out levelling operations (C)
CPCCCM1012A	Work effectively and sustainably in the construction industry (C)
CPCCCM1013A	Plan and organise work (C)
CPCCCM1014A	Conduct workplace communication (C)
CPCCCM1015A	Carry out measurements and calculations (C)
CPCCCM2001A	Read and interpret plans and specifications (C)
CPCCCM2002A	Carry out excavation (C)
CPCCCM2007B	Use explosive power tools (C)
CPCCCM2008B	Erect and dismantle restricted height scaffolding (C)
CPCCCM2010B	Work safely at heights (C)
CPCCCO2013A	Carry out concreting in simple forms (C)

CPCCCA3010A	Install and replace windows and doors (E)
CPCCCA3011A	Refurbish timber sashes to window frames (E)
CPCCCA3012A	Frame and fit wet area fixtures (E)
CPCCCA3013A	Install lining, panelling and moulding (E)
CPCCCA3016A	Construct timber external stairs (E)
CPCCCA3017B	Install exterior cladding (E)
CPCCCA2003A	Erect and dismantle formwork for footings and slabs on ground (E)
CPCCCM3001C	Operate elevated work platform (E)

C – Core unit E – Elective unit

Training and assessment methods, and locations

Scheduled Classes:

Scheduled classes will be conducted at Parade College, Bundoora Campus. Training methods include face to face, classroom based trainer led presentations and demonstrations. Students will have significant opportunities to develop practical skills in carpentry, with trainer coaching and supervision.

During the course you will also have the opportunity to apply your carpentry knowledge and skills via practical projects. These sessions will be conducted at the College's onsite training facilities.

On the job/Work based placement:

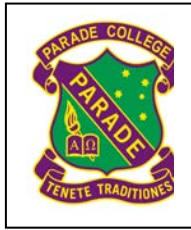

Students undertaking the CPC30211 training course and as part of the SBAT will undertake one day per week on the job with a nominated employer. Parade College staff will assist students to identify and engage with a suitable employer.

Assessment:

A range of assessment methods are used throughout the course including workbook activities, written tests and practical skill demonstrations. You will receive detailed assessment information on commencement of each unit.

Course Schedule

- College Based - Thursdays 8.00 am – 4.30 pm
- Work Based – 1 day (8 hours) as negotiated with employer

Course Requirements

During orientation you will be informed of any specialist clothing, footwear, equipment or materials required of the course.

Credit Transfer and Recognition of Prior Learning

Credit Transfer (CT) is the recognition by a registered training organisation (Parade College) of the qualifications, certificates and/or statements of attainment issued by other registered training organisations, universities and TAFEs. While Recognition of Prior Learning (RPL) recognises the knowledge and skills you have gained through previous informal training, and past work and life experience.

If you think that you might be able to apply for CT or RPL, talk to Mr McKay, Executive Officer - RTO, preferably before course commencement

Further Training and Employment Pathways

Further Training:

After achieving CPC30211, graduates may undertake a range of carpentry related units and qualifications including CPC40611 Certificate IV in Building and Construction (Specialist Trades).

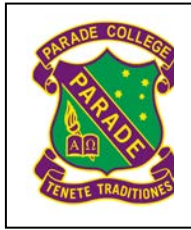

Employment:

After achieving CPC30211, graduates may gain employment as a carpenter.
