BIG MEN FLY: FORGET
Collingwood and Carlton – the real "grudge" match during the footy season is the Churinga Bombers against the Brimbank Bulldogs.
The players from the adult training centres put in plenty of hours of training with the help of Parade College's year 11 students before last Thursday's game at the Garvey Oval in Bundoora. It was played in good spirits, but there is always a winner, and this year bragging rights went to the Bulldogs.
