From the Principal

Commencement 2020
As we prepare for the return to classes, I hope all of our Parade families have enjoyed a pleasant and safe summer holiday. We extend a very warm welcome to all students and parents who are new to the Parade community this year. Classes resume for Year 7 and 12 students at 8.30am on Friday 31 January and for Year 8, 9, 10 and 11 students at 8.30am on Monday 3 February.

As I write this article early in January amidst smoke and haze on the Mornington Peninsula, all our thoughts are focused on the devastating Bush fires that have engulfed much of the east of Australia. I know that many Parade families were affected by the fire threatening homes from the Plenty Gorge and most others have connections to someone affected by the fires in the east of the state. I offer the following prayer:

God of life and death,
our prayers today are where our hearts and minds have been during these last days and where they have so often been this season; with those whose lives have been touched in differing ways by the bushfires.

We pray for all those who have been affected; and we ask for your embrace of those killed and their families.
We pray for those who have been injured and survived: for physical and emotional trauma; for the fear and helplessness experienced; for the anger and frustration at the injustice of unavoidable disaster;

We pray for those who have lost their home and property or are facing such loss:
for those who have been forced to leave their memories and belongings;
for the fear & disorientation of all involved;
Heal them from their nightmare memories.

We pray for all involved in fighting the fire:
for firefighters and their leadership and all those we know and those we do not know;
we pray for courage in a place of fear;
for new strength in the face of exhaustion;
for people who have travelled distances in order to resource those who experience fatigue;

We pray for all who offer support and care at this time:
for the various agencies, churches and community groups;
for disaster response chaplains;
for government services as they are activated;
for friends and neighbours, known and unknown;
for aiding recovery and providing a shoulder to cry on;
we give thanks too, for the generosity of many, in small and large ways, to those who are struggling.

We are mindful of the days, weeks and months ahead, For many dangerous days yet to come, for seasons of recovery and rebuilding, of homes, farms, lives and communities; we pray for strength, courage, patience and hope as grieving continues, as frustrations rise and the inevitable new changes occur.

Keep us faithful and alert in our praying and our action.

School Photographs are scheduled to be taken on Monday 10 February 2020

It is important to note that the image taken will be used primarily for school identification, applied to school ID, transport concession card, and published in the 2020 school year book. For this reason, each student must participate, regardless as to whether you wish to accept the purchase of photos.

This image services not only many College functions, it is also your important keepsake. To avoid image mishaps, noting a re-shoot or photoshop will not be offered, we request that on photo day greater attention is placed towards your son’s appearance and presentation.

We request that you ensure your son is cleanly shaven, neatly dressed and in full College uniform which must include school blazer, summer shirt, tie, trousers or shorts (with correct socks) and polished black shoes.

Students who fail to comply, presenting themselves unshaven or have hair longer than the regulation length, will be unable to have their photos taken until their presentation is rectified.

This year National Photography will have provided a personalised photo envelope for each student which you will find included in this mail out to all families. If in receipt of a generic envelope we request that you complete your son’s details. If you have not received an envelope, please contact Reception staff at either campus, who will provide you with a generic envelope.

All students must return their photo order envelope with them on photo day, Monday 10 February, and not beforehand

It is also requested that you familiarise yourself with all instructions, carefully reading the ordering process. If paying by cash, please enclose the correct money as the photographers will not be in a position to give change on the day. If you require your sons to have a family photo, please see the enclosed flyer and follow the instructions for registering online.

Kindly note family photographs will be taken on photo day and upon conclusion of student individual photos.

For further inquiries on this process it is recommended that you please contact National Photography direct on 9428-9420.

Exiting Students
If your son is not intending to return for Term 1 2020, please contact the Registrar office immediately for an Exit Form. This will ensure you are charged the correct amount in fees and charges.

If your son was in Year 7 to 10 in 2019 and is not returning, a reminder that the laptop is College property and must be returned in working condition to the IT Department undamaged to avoid any additional charges.

Welcome to Parade College for 2020
A very warm welcome to families and staff joining us for the first time in 2020 - we hope you find your way around quickly and easily and feel at home in our community.

Please don’t hesitate to ask for any help at any stage - there are no such things as silly questions! Tutor Teachers, House Leaders, Student Wellbeing Coordinators, Counsellors - all of our staff are on hand to assist you with a smooth transition to the Parade family.

For those students joining us for the first time in any year level this year, with older brothers already at Parade, we look forward to getting to know you, and helping you make Parade YOUR school.

There are so many things to discover and try at Parade that we hope you find your interests and passions and follow them during your journey with us, to make your secondary school experience your own.

Year 7 2020 Families
It was wonderful to meet our newest Paradians at the Orientation Day for the 2020 Year 7s in December last year - we had a great time getting to know the boys and enjoyed their company. We hope our Year 7s first day as Paradians on Friday 31 January is equally as exciting and reassuring for them.

Below are a few reminders for our Year 7 2020 students:

- All Year 7 2020 students commence Friday 31 January
  - The Year 7s will commence at their home campuses on Friday 31 January at 8.30am - Bundoora students will meet in Moore Hall (formerly known as College Hall) and the Preston students will meet in Penola Theatre.
  - Remember to make sure your son knows where to find you if you are picking him up at the end of his first day.
  - Make sure your son has his College Student Planner, laptop, and his padlock for his locker on his first day.
  - Your son should be dressed in his Summer College uniform. He can choose to wear his blazer to and from school in Terms 1 and 4 – it is not compulsory in those terms. However, he will need to have both his blazer and his College tie at school for Photo Day on Monday 10 February.
  - Please make sure that your son’s school shoes are made of hard, black, polishable leather – these provide greater protection for his feet than ‘sports’ style shoes.
  - Your son will need to bring his lunch and snacks to school on Friday. The Canteens will be open if he prefers to buy his lunch – an icy pole and drink will be provided at lunch time as a special treat.
  - Buses will be running in the morning and the afternoon from 31 January – make sure you have a back-up plan in place in case your son misses his bus at some stage during the year!

- Year 7 2020 Liturgy
  At 2.30pm on Friday 31 January, the Year 7 and Year 12 students at both campuses will celebrate a Liturgy together to welcome our newest Paradians, and to begin the process of handing on the traditions of our College.

  Year 7 parents are very welcome to join the boys and staff for this in Moore Hall at Bundoora or in the MacKillop Centre at Preston. The Liturgy will conclude around 3.00pm, and the students will be free to go home with parents then.

Year 7 2020 Camp Information Sessions and Lower Tutor Group Parent-Tutor-Student Appointments – Tuesday 18 February
We will hold a combined Meet-the-Tutor appointments with the Year 7 Camp Information Session at both campuses on Tuesday 18 February.

You will be able to meet with your son’s Tutor Teacher and attend an information session with your son’s House Leader/Student Wellbeing Coordinator – which will cover the details of the Year 7 Camp in March – on the same evening.

A letter containing details about how to book the appointment with the Tutor Teacher for your Year 7 son (and Year 8 and or 9 son) and the times of the Year 7 Camp Information Sessions will be emailed home in the coming week – please check your email for this letter.

If you cannot locate it, please contact Mrs Margaret Grech (PA to the Assistant Principal - Student Wellbeing) on 9468-3398, and she will be able to help you.
A Guide for Students and Their Families Graduating from Primary School
Andrew Fuller, clinical psychologist, media commentator and author . . . and friend of Parade.

You and your son might like to read the information from Andrew, who worked with our staff in 2017 and 2018 – it may help with any anxieties he (or you) may have.

**Let’s get the Number One worry out of the way first**
Most graduating primary school students worry that they won’t make friends at their new school. From the Orientation Day last year, you know who is coming to your school and you have met some boys in your Tutor Group already. You will do most of your classes with boys from your House so that you can get to know them, and you will go on Camp with your House in March. So, we help you to meet other boys and make new friends. If no one you know is going to your new school, think about who you want to remain in touch with from your primary school and how you are going to do that.

**Making new friends**
Going to a new school is a chance to make new friends. The friends you have now are mostly people you didn’t know when you started primary school. When you finish school, it will be just like that - you will have a whole lot of friends that you don’t know now. So you are about to meet new friends.

**You want to know the hardest thing about making friends?**
Saying hello. You know how to do this – you’ve done it before - even though you might feel uncomfortable saying hello to people you don’t know. When you start at a new school you have a choice - you can either get to know one or two people or lots of people. Maybe think about getting to know lots of people in the first few days at a new school. It can feel cool to sit back and only speak to people who speak to you, but you might miss out on getting to know some really great people – and they will miss out on getting to know you!

Go up to someone you don’t know and say hello, my name is…….Ask what’s your name? Repeat their name and start a conversation.

**You want to know the second hardest thing?**
Knowing what to say. Having a few standard questions can be useful. Some examples are:- What do you do for fun? Where are you from? Do you have a favourite sport/computer game/YouTube clip?

It might feel hard to believe this, but everyone feels a bit nervous on the first few days of a new school. People are as worried about what you think of them as you probably are about what they think of you. By being brave and talking to people you not only help yourself, you help others.

**Seal the relationship**
Now you’ve broken the ice and said hello and you’ve had a bit of a chat, now its time to seal the deal. The next day go up to that person and say, “hi, (use their name) how are you?” (Maybe even invite him to play downball with you!). I know this probably sounds really basic to you but just being friendly gets you a lot of friends because people like people who like them.

**You are ready for this**
It feels weird doing new things at first, but you are ready for this move. All of the time you have spent at primary school has been preparing you for this moment.

**Know the layout**
Don’t worry that you will get lost – everyone does at some time or another! Your Tutor Teacher will take you on a tour again on your first day, and you can always ask anyone for directions. But the best thing to remember is that it won’t take you long to work out where everything is – and you aren’t alone.

**Try**
There are lots of things to do at Parade, so just give everything a go! Don’t be scared to try something new or something that really seems interesting to you, even if your friends aren’t too keen. If you try, you may amaze yourself – and make some more new friends along the way!

**Mistakes are the way we all learn**
Learning is like in science. In science we come up with our best idea. We call that a hypothesis. Then we conduct a series of experiments to work out if that is indeed the best idea or if there is a better idea. In science there are no mistakes. There are just experiments that help you to get to better ideas. You will make mistakes. Everyone makes mistakes. That is how we learn. If you feel too scared to make a mistake, you can’t be creative and you can’t be the genius you truly are.

**Not everyone will be your best friend**
You are not going to like everyone and not everyone will like you either. Be as friendly as you can be but don’t get too upset if a few people don’t seem to want to be close to you. That should be ok. Focus on the people who like and appreciate you.
Have fun and be adventurous
Over the next few years, you can have some of the best times in your life. Set out to enjoy yourself as much as you can. Try to amaze yourself with what you can achieve at school, in making new friends, in learning new things and in becoming an even more wonderful person.

And welcome back to our continuing families and students for 2020...

At Parade we value being on time and prepared, as it is respectful of others and allows the things that we need to do to get done, so that we can move on to the things we enjoy.

Some reminders appear below and to the right for the first week back for 2020.

Students returning to Parade in 2020 in Years 8, 9, 10 and 11 at both campuses will commence on Monday 3 February at 8.30am with Tutor Group.

Uniform
At Parade we value the tradition of wearing the College uniform well to honour all those men who have worn the purple, green and blue with pride and respect over the last 150 years:

- Please check that your son has the correct College Summer shirt ready to go for Day 1. Winter shirts with or without tie are not permitted. College Summer shirts will only be worn for Terms 1 and 4.
- If your son chooses to wear a singlet under his shirt, please make sure that it is plain white — no logos, prints or colours.
- Grey Shorts or trousers can be worn in Term 1 – dress shorts only – no elastic or drawstring waists please!
- Jumpers and blazers go together to and from school! If your son wishes to wear his jumper to and from school, he must wear his blazer as well.
- Grey marle walk socks with black, hard, polishable leather shoes – no canvas shoes, or black leather ‘sports-style’ shoes. No BLACK socks allowed
- Leave all jewellery at home – no earrings, pierced jewellery (including clear plastic studs), necklaces, rings, bracelets, friendship bands, sports bands, or other bands to be worn. If it is precious or important in any way to your son, it is safer at home, away from possible accidental damage or loss.
- Hair should be neat, clean and in a business-like style, eg; no dreadlocks, braids, mohawks, ‘Dusty-cuts’, etc. Hair length should be above the bottom of the collar of the College Summer shirt.

- If your son is shaving, please make sure that he is clean-shaven for school each and every day.

NB: All students in Years 7 to 12 at both campuses must wear College uniform to school on Monday 10 February for College photos AND bring their blazers and ties with them.

VCAL and VCE students should wear the grey Senior Tie for these photos. They can be purchased at the Uniform Shops at both campuses.

PE Uniform Changes From 2020
From the beginning of this year, if your son does not have a full PE Uniform to wear to school on his designated PE Uniform Day, he must wear College Uniform to school. Full PE Uniform in Terms 1 and 4 is Parade PE Polo shirt, Parade Shorts, white socks and runners. In Terms 2 and 3, College Tracksuit Jacket and College Track pants are required along with the items listed for Terms 1 and 4. If any one of these items is missing, or unavailable on his designated PE Uniform Day - even if it is only white socks - then your son must wear his College Uniform that day.

If your son has PE classes on his designated PE Uniform Day, and does not have the full uniform as described above, then he should wear his College uniform and bring whatever items of PE Uniform he has with him in his bag to school and change for class. He should change back into College Uniform after his PE lesson in time for the rest of his classes and travelling home in the afternoon.

Please see the letter emailed home to all families in the week beginning 20 January 2020, in relation to this and other uniform matters for more details.

College Bus Network
At Parade we value respect for, and cooperation with, those whose job it is to get us safely to and from school each day:

- Students are not allowed to eat or drink on any of the buses to and from school - this is to assist the bus drivers to get to their next job on time, with a clean vehicle, or to help them complete their shifts on time at the end of the day, as well as ensuring a clean environment for all bus users;
- The boys are required to stay in their seats to and from school, and wear the seat belts where these are provided as part of the students’ responsibility for ensuring a safe trip for other passengers and the bus driver;
• Throwing any kind of material inside or outside the bus is a serious offence and will be treated as such. It is particularly distracting to bus drivers on very busy roads;
• Noise levels should be kept to a reasonable level to allow bus drivers to concentrate on the task of getting students safely to their destinations;
• A MYKI card with appropriate funds is required for those students travelling on buses where a MYKI fare is required;
• and finally, cooperation with any directions given by bus drivers in the interests of all passengers safety is **ALWAYS** required from all Parade students.

**Public Transport**

We expect all students to behave with courtesy and respect towards drivers and other passengers when using any form of public transport to and from school, and on excursions. We also expect students to stand and offer their seats to members of the public when using any form of public transport.

**Plenty Road and Bell Street**

For students’ safety, we require all boys who need to cross Plenty Road or Bell Street, for any reason, to do so at the lights on the **marked pedestrian crossings**. The traffic lights at the entrance to the Bundoora Campus do not mark a pedestrian crossing and students should not attempt to cross Plenty Road at that point.

_Bundoora Parents, please do not ask your son to meet you in the Hungry Jack’s carpark, or drop him off there in the morning – the boys will always take the shortest way across the road, and there is no designated crossing from that point across Plenty Road._

We would ask that parents emphasize this point with their sons so that students can remain safe as they cross two very busy roadways. Unfortunately, two years ago, one of our students was involved in an accident with a car, as he was not using a designated crossing; fortunately, he recovered from that incident, but it is a reminder of how dangerous our roads can be.

We also expect students to obey traffic signals, teacher directions and instructions given by Parade staff and Council crossing supervisors.

**Parent-Tutor Interviews – Term 1 2020**

*Instructions on how to book appointments and the times of the information sessions will be emailed home to families in the coming week.*

There are some changes to responsibilities in the House Leaders Team for 2020, as we welcome Mrs Teresa Talia to the team as House Leader for Hughes Upper at Bundoora. Teresa comes to us as a very experienced House Leader and Legal Studies Teacher from Emmaus College, and is excited to be joining Parade. I am sure our community, but particularly Hughes families, will make her welcome.

Mr Jacob Williams will be returning to the Preston Campus from 2020 to take up the role of Assistant Student Wellbeing Coordinator for students in Years 9 and 10, amongst the projects he has been assigned for this year. He will join Mrs Elizabeth Bult in her role with the Year 7s and 8s and Mr John Nicholls with the Years 11s and 12s.

At Bundoora, Mr Luke Rosbrook will take up the role of House Leader for Hughes Lower and Mrs Jessica Frisina will lead the Treacy Lower staff and students as their House Leader.

_The Student Wellbeing Team of Tutor Teachers, House Leaders, Student Wellbeing Coordinators, Dean of Students, Counsellors, and myself look forward to welcoming your son to school for 2020 and helping him to have a successful year._

University of Melbourne Kwong Lee Dow Scholarships
Since 2007, the University of Melbourne has offered the Kwong Lee Dow Young Scholars Program, an academic enrichment program designed to support high-achieving secondary students. The program is open to Year 11 students in 2020, who must complete a rigorous application process as well as be approved by their school.

This year the University of Melbourne has accepted into the program two fine applicants from Parade College being Bryce Hassett (B05) and Jayant Batish (H01). The boys were selected from several fine applications from Parade students and all applicants are to be commended on the standard of their application.

Both Jayant and Bryce were recipients of the High Achievers award for Year 10 last year, showing excellence across their entire range of subjects at Year 10 level. They now join the esteemed company of Parade’s recent recipients including Pinidu Chandrasekera, Carl Perera, William Dynes and Callum Holmes. We wish both boys well for the year ahead.

VCE Parent Information Evening 2020
This year the VCE parent information evening will be run in conjunction with the Upper Parent Tutor Evening on Tuesday 25 February. Parents will have the opportunity to attend one of two repeated sessions regarding the VCE that will be held throughout the evening in Rivergum Theatre. More information will be sent home regarding the evening in an upcoming letter addressed to parents.

This forum will provide an opportunity to be fully informed about your son’s requirements and expectations as they commence their studies in 2019. The evening is applicable to all parents with a son in Units 1 to 4 of any VCE subject.

**Selection in High Performance in 2020**
Subject selection has been completed for 2020 High Performance classes at Year 8, 9 and 10 and letters have been sent home to those that have unfortunately missed out.

As ACC High Performance is a timetable subject, selection into these classes has to coincide with the Subject Selection process in August.

To accommodate the potential development of students not selected into a 2020 High Performance class and provide the opportunity to try out for a 2020 ACC team, additional trials for all ACC Sports are as follows –
• Football and Soccer will occur midway in Term 1 2020.
• Basketball, Table Tennis and Hockey will occur midway in Term 2 2020.
• Volleyball, Tennis and Cricket trials will occur midway through Term 3 2020.

Any student identified at these trials as possible members of an ACC team will be given the opportunity to play some games.

In addition, students wishing to improve their skills and enhance their chances for future ACC selection should involve themselves in the Sports Development Program.

Focusing on all ACC sports, this two week program (per sport) will generally occur on a Tuesday and Thursday after school until 4.30pm and run throughout the year.

Epipen's and Excursions

Parents of students that are at risk of anaphylaxis should be aware that, in response to Ministerial Order 706, it is College policy and a requirement of legislation that students who attend the College must have supplied the College with a valid Epipen and a current Anaphylaxis Action Plan for their personal use.

In order for a student to attend an excursion or event off the premises they must carry their individual College Epipen and their spare Epipen from home with them. This is to ensure that sufficient medications are available should the student require them.

Anaphylactic students who do not have their Epipen's with them will be unable to leave the College premises to attend offsite activities.

If parents have specific enquiries about Epipen's please contact Ms Ireland in First Aid at our Bundoora Campus.

Remember to take your Epipens with you when going on an excursion or to an event - if you forget your Epipen you can't leave the College

Keep playing football with your mates in 2020

The Old Paradians Football Club and Parade St Damians Junior Football Clubs are now actively recruiting Senior, Under 19 and junior grade players to be part of our clubs in 2020. The clubs are inviting all Parade College students to become players. The Old Paradians Football Club’s (Senior and Under 19 grades) pre-season training is now underway at the Naughin Oval on Mondays and Wednesdays commencing at 6pm. See website oldparadiansasfc.com for more details. All college year 11 and 12 students are welcome to attend these sessions and try out for our Under 19 and senior sides. The club offers excellent playing facilities and is one of the oldest clubs (90 years) in the Victorian Amateur Football Association (VAFA). Our Senior coach Phil Plunkett is a recent Preston Knights TAC coach and is able to mentor players in accessing TAC playing opportunities.

The Parade St Damians Junior Football Club is holding a training session for all age groups at the Binnak Park Oval in December and further sessions will commence late January 2020. See website paradesaints.com.au for more details. The club offers excellent playing facilities, has been operating for over 40 years and is one of the founding clubs in the Yarra Junior Football League (YJFL). Our Football Manager Ian Fairley is a former North Melbourne premiership player (1996).

Paid Positions

Canteen Operations

Once again, we are seeking expressions of interest from students undertaking hospitality studies to fill paid positions managing and operating club canteens and will provide training and on the job supervision in the tasks to be completed. This includes any necessary food handling course requirements. Work activities include food handling and preparation; serving customers; handling monies and completing financial transactions and stock management and control.

Football Operations Support

As in past years we offer students the opportunity to take up paid positions as members of its Football Operations Department. These positions include Field and Boundary umpiring and water boy roles.

Understudy Committee Positions

The club also offering students the opportunity to join our committees in ‘Understudy Roles’ that will allow students to gain valuable first-hand experience in administration roles including management, operations and financial management. Students will work alongside committee executive members in undertaking these tasks. At the end of the playing season students will be provided with written job references outlining the activities undertaken in these roles. Where suitable, students will also have the opportunity to gain access to work experience in businesses owned or operated by members of the Old Paradians Football Club community.

Expressions of interest for any of the abovementioned positions can be notified initially to Mark Aiello, Deputy Principal Parade College. If students have questions these can also be directed to the following:

Lewis Derrico honoured by OPA

The Old Paradians’ Association has rounded out the 2019 year by honouring its former President Lewis Derrico with the Tenete Award.

At its penultimate meeting in November, members of the Association committee unanimously voted in favour of the award being bestowed upon Lewis, who was forced to relinquish the presidency in June due to health reasons.

Dr Paul Shannon (1985), with whom Lewis is pictured here at the Association’s wine-tasting evening in 2016, succeeded Lewis as President.

The Tenete Award was instituted in 1974 – co-incidentally the same year Lewis officiated as Parade College Captain - to mark the 60th anniversary of the Old Paradians’ Association’s existence and to renew its pledge to serve Parade College and its students.

Parade’s Paddy Guinane dies at 80

Richmond’s oldest living Premiership player Patrick (‘Paddy’) Guinane, a part of Parade’s all-conquering 1st XVIII teams of the mid-1950s, died recently at the age of 80.

Joining Richmond in 1958 from the neighbouring St Ignatius YCW team, Paddy followed his father Dan, who had represented the Tigers in 103 senior appearances through the 1930s and ‘40s.

At 6’3” and 14st 6lb in the old measurement, Paddy cut a formidable figure in yellow and black. In 148 senior League matches through 11 seasons at Punt Road, he topped the Tigers’ seasonal goalkicking tallies with 50 in 1966 and 41 in ‘68, which bookended the drought-breaking 1967 Grand Final victory over Geelong under Tom Hafey’s watch.

Wearing the No.1, Paddy, as Vice-Captain, was an able ally to the then team leader Fred Swift, in a 20 which included Bartlett, Dean, Hart and Northey, and the famed midfielders Bourke, Barrot and Clay.

To assist new families at Parade we have put together some information which we hope will make it easier for you when dropping your son off at the College.

Student Pick Up Zones are now located in Naughtin Terrace and Callan Court which are located at the rear of the College buildings. Please follow the directional signs along the College driveway.

Please note that there is no car access to, or exit from, Garvey Terrace, Visitors Car Park or the College Bus Circuit between 2.45pm and 3.45pm daily

Suggested options when dropping your son off:

An alternative option is to collect your child from Edmund Rice Park beside ERC building which is accessible from Milton Parade off Plenty Rd or Cameron Parade, refer to Melway maps 9 & 10, or

For Lynch House students: travel via the main driveway to the rear of the property to collect your son from the Naughtin Terrace precinct;
