## 22304VIC Certificate II in Plumbing (Pre-apprenticeship)

### About the Course

This pre-apprenticeship course will provide you with the opportunity to gain plumbing skills and knowledge at a beginner level.

The completion of a plumbing pre -apprenticeship course in a senior secondary environment has many benefits including:

- assisting you to decide if you are suited to a trade career;
- being the preferred pathway of many building and construction sector employers when employing apprentices to complete Certificate III qualifications, and
- providing useful skills for future domestic/D.I.Y plumbing, building and construction projects.

### Course Entry Requirements

Course applicants must meet the following selection criteria:

- satisfactory completion of Year 10 secondary school studies or higher, and
- satisfactory completion of a language, literacy and numeracy test.

VU21792

Identify career pathways in the plumbing industry

## Training and assessment methods, and location

Scheduled classes will be conducted at Parade College, Preston Campus. Training methods include face to face, classroom based trainer led presentations and demonstrations. Students will have significant opportunities to develop practical skills in plumbing with trainer coaching and supervision.

During the course you will also have the opportunity to apply your plumbing knowledge and skills via practical projects. These sessions will be conducted at the College's onsite training facilities.

### Assessment:

A range of assessment methods are used throughout the course including workbook activities, written tests and practical skill demonstrations. You will receive detailed assessment information on commencement of each unit.

## Course Requirements

During orientation you will be informed of any specialist clothing, footwear, equipment or materials required of the course.

## Credit Transfer and Recognition of Prior Learning

Credit Transfer (CT) is the recognition by a registered training organisation (Parade College) of the qualifications, certificates and/or statements of attainment issued by other registered training organisations, universities and TAFEs. While Recognition of Prior Learning (RPL) recognises the knowledge and skills you have gained through previous informal training, and past work and life experience.

If you think that you might be able to apply for CT or RPL, talk to Mr McKay, Executive Officer - RTO, preferably before course commencement.

## Further Training and Employment Pathways

### Further Training:

After satisfactorily completing the 22304VIC graduates may undertake a range of plumbing related units and qualifications including CPC32413 Certificate III in Plumbing.
