

SUBJECT SELECTION

Year 8 into 9 (2025)

Nadia Bonvicino

Dean of Learning (7-9)

Office – MQ13

#aworldofopportunities

This presentation will include...

- ▶ The subject selection process
- ▶ Important Dates
- ▶ Year 9 Curriculum
- ▶ Selecting subjects using Web Preferences
- ▶ Using the 2025 Subject website via SIMON / PAM
- ▶ Key contacts

Subject selection

- Presentations
- Handbooks

- Subject choices with subject teachers and Tutor teachers

- Using Web Preferences

View

Why we have subject selection

- ▶ Student voice and choice
- ▶ Pathways and opportunities
- ▶ Planning and logistics

Changing subjects or pathways once the timetable has been constructed is not always possible.

We always do our best to accommodate students, however, we are operating in a complex system with 2000 students.

View

Important Dates

Friday 26 July

- **Assembly**

Friday 2 Aug

- **Tutor Workshop**

Wednesday 7 Aug

- **Web Preferences due (11:59 pm)**

Year 9 Curriculum

CORE

Year-long

- Religious Education
- Mathematics
- History*
- English
- Science

*semester-long

ELECTIVES

- Languages sem 1 or Free choice

- The Law in Operation
- E-Commerce and Work Futures

Technology

- Digitally Yours
- Materials and Design
- Electronics

Languages

- Italian
- French
- Japanese

Humanities

- Geography

Science

- Food Studies

Manchester City Program

- ▶ Students involved with the Manchester City Program do complete subject selection but only need to select:
 - ▶ Manchester City elective if they are intending to continue with the program
 - ▶ High Performance or Physical Education for either semester.
 - ▶ Reserve elective choices.
- ▶ ACC Soccer occurs during Semester 1, so Manchester City students need to select High Performance in Semester 1 if they wish to represent the College in ACC Soccer.
- ▶ Before school training is likely to occur.

All enquiries should be directed to the Head Coach of the program.

Discuss

Subjects offered by Learning Diversity

- ▶ Foundation Mathematics
 - ▶ Leads to VCE Foundation Mathematics
- ▶ Intervention English
 - ▶ Replaces Languages
- ▶ Altior program in English & Humanities and Mathematics & Science

Places in these programs are reviewed each year. If you are currently enrolled in one of these programs, then you should elect it for 2025.

Any movement in to or out of these programs will occur later this year.

Sample Year 9 Program

Core Subjects	
Semester 1	Semester 2
Religious Education	Religious Education
English	English
Mathematics	Mathematics
Science	Science
History	
Electives	
E-Commerce & Work Futures	Visual Communication
Japanese	Japanese
Physical Education	

Rules

- Students may not choose more than two units from Technology.
- Both semesters of a Language must be selected when selecting a Language.
- Three reserve units must be selected.

This is an example only

Year 9 ExCEL

- ▶ Consists of three (3) Extended Learning Projects (ELPs) and four (4) Learning 4 Life personal development seminars.
 - ▶ ELPs – 8 weeks. Involve weekly formative assessment building towards one final presentation or production piece.
 - ▶ L4Ls – 2 weeks. Involves two compulsory units and two student choice seminars.
- ▶ Occurs every Wednesday (except during examination periods or other special events).
- ▶ Subjects are based at both the Bundoora and Preston campuses.
- ▶ If you have a subject at the Preston campus you will have to make your own way there by 8:40am.
- ▶ Excursions often involve students making their own way using transport. An ExCEL orientation day will occur during the Year 9 Commencement period to help students learn about independent travel.

Manchester City students complete a Man City program as their L4L choices.

ExCEL: Learning4Life

- ▶ Occurs on a Wednesday
- ▶ Each L4L subject runs for two weeks (two full days)

Compulsory Seminars - students complete both

- Streetwise
 - Career Voyager
-

Elective Seminars - students elect two

- Be a Man... Become a Man
- Brain Boot Camp
- Buying & Owning a Car
- The Edible Garden
- First Aid & CPR
- Outdoor Education
- Manchester City Football School*

**only available for students involved in the Year 9 Man City Football School*

ExCEL: Extended Learning Projects

- ▶ Occurs on a Wednesday
- ▶ Select three for the year
- ▶ Each subject runs for eight weeks (eight full days)

Extended Learning Projects (ELPs) - students elect three

Apply

Using Web Preferences

- ▶ Subjects are selected online using Web Preferences.
- ▶ An email with a link to Web Preferences, a code, and password is emailed to each student's Parade email account.
 - ▶ Search for noreply@selectmysubjects.com.au in your inbox
- ▶ There are four steps in the process:
 1. Log into Web Preferences
 2. Select your subject preferences
 3. Confirm your subject preferences
 4. Sign your Web Preferences receipt digitally – both student and parent signatures are required.

A step-by-step guide is available on the Careers & Subject Selection webpage

#aworldofopportunities

Signing the Web Preferences Receipt

1. Enter parent/guardian's email address.
2. Student signature
3. Parent/guardian receives email and signs in a similar manner.
4. Both signatures should appear.
5. **Submit Signature** to confirm.

Please sign in the Student Signatures box and click the Save Signature button

Your Preferences
