VCE: course structure

▶ Year 12

- ▶ Units 3 and 4 English or Literature
- ▶ 4x Units 3 and 4 subjects
- ▶ Tenete (school-based Religious Education program)
- ▶ Study Periods

All students do five Units 3 and 4 subjects.

Students who are accelerating in two Units 3 and 4 subjects in Year 11, and who achieve a minimum score of 34 in both subjects, may apply to complete only four subjects in Year 12.

If accelerating in only one Units 3 and 4 subject in Year 11, the VCE Policy clearly states that this requires a student to complete five subjects in Year 12, to get the benefit of a sixth subject.

VCE: Unit 3 and 4 subjects (Year 12)

- ▶ Internal SACs/ SATs
- ▶ General Achievement Test (June)
- ▶ External exams (October-November)
- ▶ Minimum 90% attendance
- ▶ Culminates in a study score out of 50

VCE: what should guide your decisions?

▶ What subjects do I enjoy?

- ▶ Enjoyment will increase the likelihood of success.

▶ What must I do?

- ▶ VCAA requirements (e.g. English/Literature)

▶ What do I want to do after school?

- ▶ Pre-requisites for university/TAFE entry.

▶ What subjects am I best at?

- ▶ Current success will likely lead to future success.

VCE: what not to consider

- ▶ Do not worry about a subject's scaling - if you are good at a subject, and passionate about it, then choose it regardless of scaling
- ▶ Do not worry about what your friends are selecting - this is all about your future

About the course

The Diploma of Engineering is a pathway into second year of engineering related courses at La Trobe University.

It is a practical, hands-on program with a multidisciplinary approach to prepare you to design sustainable and creative solutions to complex and technical problems.

You'll get an introduction to civil, electrical and mechanical engineering and begin to bring ideas to life and make them commercially viable. You'll be prepared to shape the future. When you finish the diploma, you'll progress into second year of: Bachelor of Civil Engineering (Honours)**, Bachelor of Engineering Honours (Industrial) ** Bachelor of Science (Maths major)

** Entry into second year is based on a weighted average mark for the diploma: <https://www.latrobecollegeaustralia.edu.au/current-students/resources/transferring-university>

Major studies
